Sportitude's booking platform facilitates the booking of after-school clubs for students. In the course of booking these clubs, personal data of the student is collected for the purposes of ensuring the safety and well-being of the child during club activities.

#### DATA TO BE SHARED:

The parent/guardian agrees to share the personal data of the child, as provided during the booking process on Sportitude's platform, with the school/venue. This data may include, but is not limited to, the child's name, age, emergency contact information and any relevant health or medical information.

#### PURPOSE OF DATA SHARING:

The school/venue will use the shared data solely for the purpose of ensuring the safety and well-being of the child during after-school club activities. This may include emergency situations, communication with parents, and coordination of club logistics.

#### CONFIDENTIALITY:

The school/venue agrees to treat all shared personal data as confidential and take reasonable measures to prevent unauthorised access, disclosure, or use of the information.

#### LIMITED USE:

The school/venue agrees to use the shared data only for the purposes specified in this Agreement and will not disclose the information to any third parties without the explicit consent of the parent/guardian.

#### DATA RETENTION:

The school/venue will retain the shared data for the duration of the child's enrolment in after-school clubs/camp and will securely dispose of the information upon completion of the club/camp activities or at the request of the parent/guardian.

#### NOTIFICATION OF CHANGES:

The parent/guardian agrees to promptly notify Sportitude of any changes to the information provided during the booking process to ensure the accuracy of the data.
